

## KOCHAVIM GOES EAST!!!

# BE'EH NEXT SUMMER (5771/2011) SPEND FOUR WEEKS IN ISRAEL WITH KOCHAVIM KOLLEL KAFUL!!

After three years of fantastic summers in the Catskills, and another fun filled summer season just completed, Camp Kochavim is looking ahead to 5771/2011 when we will BE'EH inaugurate our KOLLEL KAFUL program in Eretz Yisrael!

BET SHEMESH EDUCATIONAL  
& RESIDENTIAL CENTER

This program will be open to 10th, 11th and 12th grade teenage boys. Combining the best of our Kollel Program here "in the States", with a new, action packed Touring and Toranut Program in Eretz Yisrael, our program will maximize personal growth and "Klal" involvement. It will be an ex-

perience that the boys will cherish in their memories for many years to come. KOLLEL KAFUL means DOUBLE the "Ruchniyut" – where else in the world, after all, can one get more Ruchniyut than in the land of our ancestors, Eretz Yisrael? It also means double the "Gashmiyut" because not only will we continue our regular camp sports activities but we will add a whole new dimension, of hiking, backpacking, sightseeing and exploring as we tour around Israel. Visiting Masada, the Kinneret, the Dead Sea, the mystical city of Tzfat and much more, we'll be learning about the history of our ancestors' first-hand. And that's just the start of it - our boys will also experience some

very special Shabbatot, including a Shabbat in Yerushalayim.

Not only will our boys be on the receiving end as campers or students but they will also have the opportunity to DOUBLE up as mentors to Israeli students of around the same age. Bonding through shared activities such as sports, swimming, hikes and BBQs our boys and their Israeli counterparts will have the opportunity to learn about one another and form long-lasting friendships.

## Next Year In Yerushalayim!!

AIR CONDITIONED BEIT MEDRASH

We will be based on the beautiful campus of the Bet Shemesh Educational and Residential Center. With modern, air conditioned dormitory rooms, beautifully furnished with all the comforts of home; a spacious climate-controlled Dining Room, serving delicious 'home cooked' meals; state-of-the-art computer facilities; a large outdoor pool; brand new American Style Sports Fields and Courts; and an ultra modern centrally air-conditioned Beit Medrash, the Bet Shemesh Educa-

tional and Residential Center feels like a 'home away from home'.
